25X1

[redacted] 2. [redacted] the cost for the enlargement of the Wilmersdorf ammunition depot was estimated by a special construction bureau at 400,000 eastmarks. Earmarked under the enlargement program were the construction of: a new, quarters for 250 men; the conversion of three barracks buildings; the installation of a new spur-track section about 600 meters long; the construction of two 8-meter deep fire ponds with a diameter of 6 meters; the installation of a fire reporting system with about 30 fire call boxes; the embankment and roofing of about 100 ammunition bunkers; the installation of an alarm system; and the construction of two guardhouses, each of about 10 x 8 meters. [redacted] 300 to 400 soldiers wearing red epaulets were at the depot during the period of observation. ***
